

TEMPORIS PROCESSUM:

FUNERAL HOME AND LEARNING CENTER

SITE CONTEXT

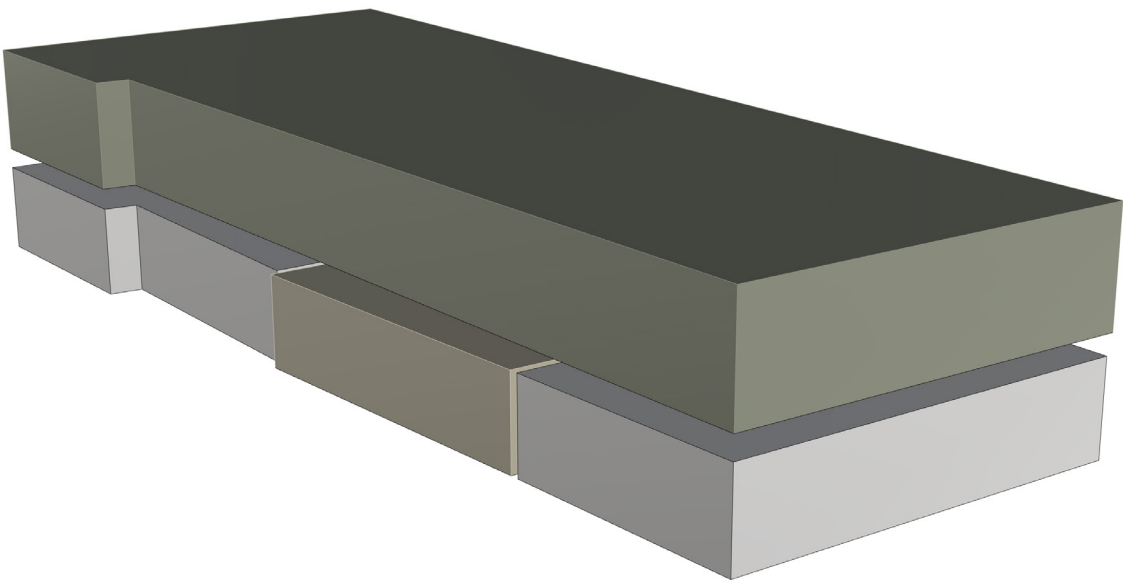

IN USE:

The joint funeral home/learning center is divided into three sections for the three main groups who are using it. These processes are all tied together and work in tandem with one another.

There are three main points of entry: one located in the back where a loading area meant for drop-off and pick up. This entry is used primarily by the funeral preparation staff.

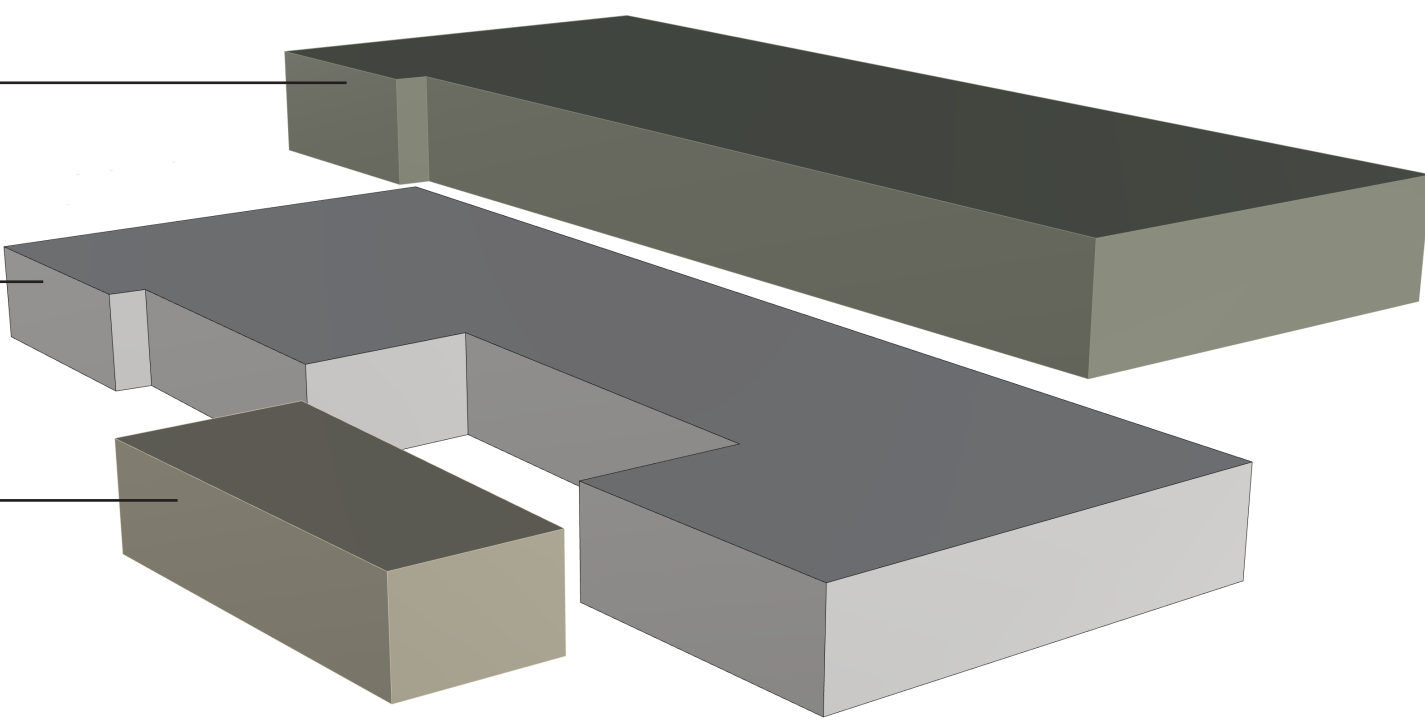

The other entrances are for the visitors and students.
